The New Satellite C SERIES

FEATURES

High Performance NVIDIA® GeForce® 710M graphics processor with Optimus technology^

Accelerated visual performance with NVIDIA® GeForce® graphics processor of up to 2GB VRAM and intelligently-boosted battery life.

^ optional

Toshiba HDD Accelerator

Gain access to your favourite apps and programs by up to 60% faster, thanks to Toshiba's new HDD Accelerator technology that elevates system memory for quicker response.

Toshiba Audio Enhancement

Toshiba's exclusive audio technology automatically enhances audio quality based on speaker characteristics for crisp, clear sound.

PC Health Monitor

Toshiba's PC Health Monitor intelligently detects and notifies you of problems so you will never be put out of action.

Spilt Screen Utility

Now you can multi-task concurrently with a simple click. Take notes or message your friends while watching a movie, all at the same time!

Do more when you create multiple display zones to work on various active windows at once.
